DANCE

About our DANCE Classes:

The Parks & Recreation Department is excited to offer dance classes. Our Instructor, **Mrs. Tricia** is a very bubbly person that is willing to help your child learn the glory of dance. She shows a true love for teaching kids in a positive and caring way. She specializes in Hip Hop, Jazz, and Contemporary, as well as Ballet. Her passion for dance and the willingness to share her knowledge with children, makes her an asset. There are classes offered for children as young as 3 years and up and in various levels to include styles such as Jazz, Contemporary, Hip Hop, Tap, and Ballet. Children 6 years and older may be interested in solos, duets, or trios that take place through private lessons for an additional cost, but must be registered in one of our current dance classes. An Dance Recital for families to attend will be provided at the conclusion of each season (tentatively 4/24 or 5/1, pending COVID-19 guidelines and availability). An additional cost will be required for each costume in each level of dance and will vary \$55 to \$80 each, if you plan on being in the recital. Costumes must be paid in full by February 26 or they will not be ordered. Dance Recital may require alteration if need be to comply with COVID-19 restrictions. All classes are held in the Centennial Park Community Center in the Activity Room. Classroom space is limited so we do not allow spectators but we do encourage parents to sit in the room next door and watch classes via a monitor as long as space is available and social distancing is taking place (exception may occur in the first two weeks for NEW tot students only to help accommodate socializing).

Private Lessons

Open to children enrolled in any of our current classes. Routines are choreographed for each based on their level and style of dance choice. Students must be 6 years and older and interested in solos, duets, or trios to participate in our upcoming Dance Recital. Privates are limited in dates and times, and will be held on Thursday and Fridays based on availability. Interested participants must contact Yvonne at 928-692-3111 to schedule times and payments and will be accepted on a first come first serve basis. Please note prices are based on \$10 for every half hour and payments will be made in a minimum of \$40 for a designated number of sessions.

Drive-In and Summer Outdoor Movies – “Sponsors NEEDED”

The Outdoor Movies are widely attended and need sponsorships to help offset the cost of the movie licenses. Each movie license costs approximately \$425 per showing. The Recreation Department is in the planning stages for the upcoming summer and wishes to increase the number of movies offered. Continued sponsorships and donations will bring these special events to you free of charge or by a minimal donation. All dates and times will be released in the upcoming seasonal brochures that are released in January, May, and September. New sponsors are always appreciated and welcomed! The more we get in sponsorships, the more we can offer! Sponsors are recognized in our seasonal brochure, on flyers, in any public service announcement, and during the event with on screen promotion. If interested in becoming a sponsor of our movie nights, or any of the other outstanding Recreation programs, please contact Yvonne at the Recreation Department at 692-3111.
